Central Courtyard with Water Feature

# WINSHIP CANCER INSTITUTE OF MEMORY UNIVERSITY

## **The Vaughn-Jordan Healing Garden is a place of peace and reflection for patients mind, body and spirit.**

Garden features a commemorative stone plaza with engraved pavers that feature the names of donors, loved ones and friends. These pavers can be donated in honor of a special person, in memory of loved ones, or in lieu of gifts for special occasions.

I can't thank you enough for all your help with our project! You were wonderful to spend so much time with me, but I can promise that all your work will be appreciated by our patients and families.....

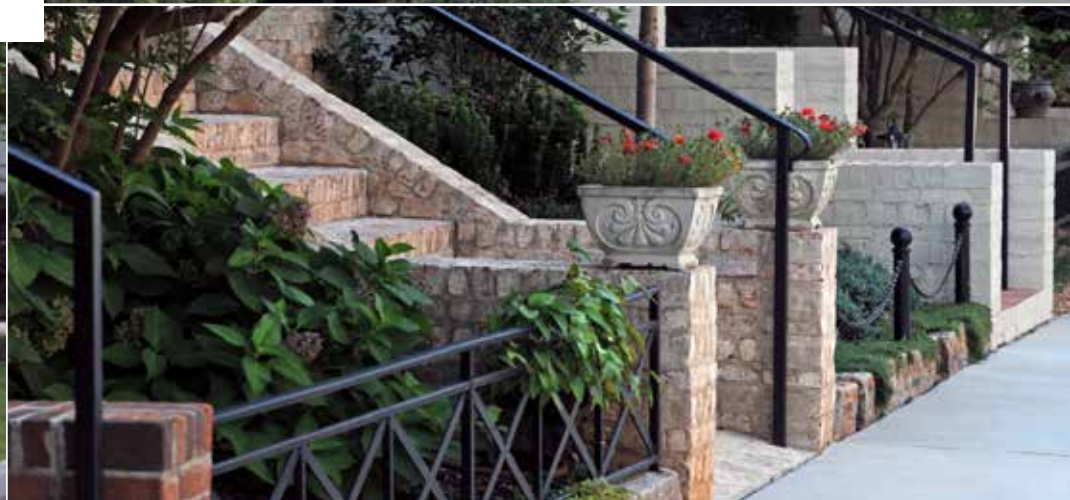

Thanks again.

### HEALING GARDEN WINSHIP CANCER INSTITUTE

Designed as a quiet refuge for patients, their families, and healthcare providers, this garden incorporates features of nature which invite participation on many levels. Visitors can experience a variety of sights, sounds, and fragrances all within a quiet, sheltered setting on the grounds of the Emory University campus. The Healing Garden, adjacent to the Winship Cancer Institute, provides an opportunity to enjoy the relaxing and therapeutic benefits of the natural world.
