ECOMIND DESIGN STUDIO

Ecomind Landscape design team will help you to create your own vision with sophisticated touches.

3D Visualization

Entrance Courtyard

RESIDENCE AT BROOKHAVEN, GA

Beautiful rectangular swimming pool with sheer decent water feature to make adults and kids to entertain. The heated pull with remote control pool cover will take your fun year along.

Installation of synthetic turf will give a maintenance free green open area for fun outdoor events and games. 100% pervious turf and pool deck paver will eliminate all rain run-off issues and will serve as a part of drainage system.

Gas burner built-in fireplace for your cozy nights or for your parties as gathering area.
